## Allison Perfetti

### About me:

I am honored to participate in DWAS and support Project Safe, an organization whose mission is deeply meaningful to me. With over a decade of experience in the entertainment and event industry, I have dedicated my career to creating exceptional guest experiences, fostering strong community connections, and ensuring safe and welcoming event spaces. As General Manager of The Classic Center Theatre, I oversee daily operations, lead self-presented booking, and manage promoter, agent, and artist relations—all with a focus on collaboration, safety, hospitality, and service.

Outside of work, I find balance through yoga at Shakti, where I value the connection between mind, movement, and emotional well-being. I love cooking diverse, healthy meals, pausing in nature, and practicing gratitude. My three fur babies—two beloved dogs and a cat—keep me grounded (and on my feet!).

Dancing has been a lifelong passion. As a child, I dreamed of being a backup dancer for Janet Jackson. I transitioned from gymnastics and cheerleading to studying dance in high school and trained intensely for 11 years before my career took center stage. Now, I jump at any chance to burn up the dance floor and I'm grateful for the opportunity to support this mission, and I appreciate your purchasing a ticket in TEAM 11's honor.
