Natalie Bishop

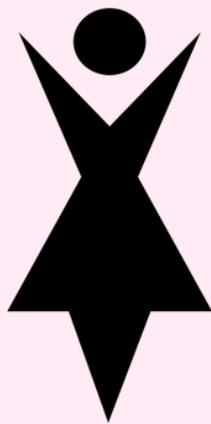

About me:

Natalie Bishop has proudly called Athens, Georgia home for 29 years and has dedicated much of her life to serving the community she loves. After graduating from the University of Georgia, Natalie faithfully served Athens as an educator and in children's ministry.

Today, Natalie is fulfilling a lifelong dream of becoming a small business owner. She is the co-owner of NEST, a gift shop on Prince Avenue, continuing to invest in the local community by creating a welcoming space rooted in connection and creativity.

She is the mother of three wonderful children, Abigale, Jimmy, and Lanier, and is married to her supportive husband, Matt Bishop. Her passion for service, family, and community continues to guide her in all that she does.

She is also extremely proud to be dancing with her DWAS partner, her eldest daughter, Abigale!
