Catherine Huff

Instructor

About me:

Catherine Huff is the Director of Enrichment & Outreach at DanceFX and a mom. She grew up in Macon, GA and moved to Athens to attend at UGA. Catherine has been dancing since she was 2 and looks forward to dancing with her students at DanceFX everyday. She was an elementary-age teacher for 15 years.

Catherine enjoys hanging out with her children and husband, drinking a good cup of coffee (especially with her cat on her lap), baking, and sharing her love of dance with her community.
